

T Level in Education and Early Years (Assisting Teaching)

Course Level: Level 3

Campus: Newcastle

Subject Type: Care, Education, Nursing & Midwifery

Course Overview:

Prepare for a rewarding career in Education and Early Years development.

Acquire a deep understanding of child development, educational support techniques, and safeguarding principles to assist teaching professionals in providing high-quality learning experiences. Foster an inclusive and supportive environment that values diversity and addresses special educational needs. Develop strong communication skills to engage with families, caregivers, and external agencies in nurturing children's educational growth and well-being.

What's Covered:

Do you want to work with children and young people of all ages? Our Level 3 T-Level in Education & Early Years will give you the foundation you need to set you on the path towards your ideal career. Focusing on working with children aged 0-19, the T-Level qualification combines learning in the classroom with gaining vital 'on-the-job' experience.

In year one, you will gain core knowledge of subjects such as supporting education, health and well-being, safeguarding and Special Educational Needs and Disability (SEND), as well as developing a range of technical and practical skills that employers are looking for.

The Assisting Teaching pathway is about supporting teachers in classrooms, typically with children aged 5 to 18. Students will learn how to assist with lesson preparation, work with small groups, and help manage classroom behaviour. This pathway leads to roles like teaching assistant or learning support assistant and provides a stepping stone to becoming a fully qualified teacher.

Entry Requirements:

You'll need a minimum of five GCSEs at grade 4 or above, including maths and English Language and in subjects that are relevant to the course you'd like to study.

Assessment Information:

You will be assessed through written and practical examinations, employer projects, group work, presentations and analysis. You will also be observed and assessed in the workplace

Fees and Financial Support:

This course is free for anyone aged 16 – 18.

College Maintenance Allowance (CMA):

Anyone with a gross household income under £30,000 can receive financial support to cover college related costs such as transport, meals, course equipment and uniform. Bursary support is based on individual circumstances and will be allocated to best suit your individual needs. A range of other financial support is available depending on your personal circumstances. For more details

Progression:

The course will help you boost your employment prospects by gaining extensive experience on a work placement in a real-world environment, which will enable you to access employment directly after completion of the course, or into a role as a Teaching Assistant. Alternatively, you could progress onto higher education to qualify in one of many different roles such as primary, secondary or further education teaching.
